

The Spring Keelboat Sprints Regatta and Race Training Weekend, formerly known as the 'Icebreaker' is an Open Event organised by Fairlie Yacht Club and sponsored by Clyde Marina and Brugal Rum. The Event will be held on the weekend of 6th /7th May this year, and entry will be open to Yachts racing under IRC and CYCA Handicaps from any RYA affiliated Club.

Based in Clyde Marina, Ardrossan, the format is for up to 10 short sharp races over the two days. Pre-race briefing and post-race analysis are provided by a team of professional coaches and sailmakers, but making the event unique is the 'on the water' coaching, where members of the team will be present during racing to offer advice on tactics, deck work, sail trim, and rig setting to help improve your performance.

This is an enjoyable and great value for money weekend for racing crews of all standards.

**Further information and entry forms are available on www.fairlieyachtclub.org.uk
